Figure 5: T-Shirt Customizer

The core feature of AUVEN Fashion is the ability to create your own customized apparel.

1. **Open the Customizer:** From the product page or directly via the customizer link.
2. **Select Color & Size:** Choose the base color of your T-shirt (e.g., Black, White) and your preferred size.
3. **Add Text:**
 - Click "Add Text" to insert custom text onto the shirt.
 - You can drag the text to move it around.
 - Use the resizing handles to scale the text up or down.
4. **Upload Custom Design/Image:**
 - Click "Upload Image" to add your own logo or artwork.
 - Once uploaded, it appears on the canvas.
 - You can click and drag the image to reposition it within the printable area (the designated rectangle on the shirt).
 - Use the corners of the image box to resize the design.
5. **Delete Elements:** Select any text or image and click the "Delete" or trash icon to remove it.

6. **Printable Area:** All designs must stay within the highlighted box on the T-shirt mockup. Elements placed outside this box may not be printed correctly.
7. **Add to Cart:** Once you are satisfied with your preview, click the "Add to Cart" button to save your customized design and proceed to checkout.

11. Troubleshooting

- **Cannot Login:** Ensure you are using the correct email and password. If you just registered, ensure the process completed successfully.
 - **Product Image Not Loading:** Check your internet connection or try refreshing the page.
 - **Customizer Not Working/Cannot Upload Design:** Ensure your image is in a supported format (JPG/PNG) and is not excessively large.
 - **Cannot Add to Cart:** Make sure you have selected a valid "Size" before clicking "Add to Cart".
 - **Checkout Validation Error:** Ensure all required fields (like Pincode and Phone Number) are filled out in the delivery form.
 - **Payment Failure:** If your payment is declined, try another payment method or contact your bank. The order will not be placed until payment is successful.
